A	Annex	3

List of Figures

1 Feature matching

1.1 Question 1

Modify the previous threshold. What is the effect of this threshold? Comment your response.

1.2 Question 2

Comment on the obtained result. Is the resulting model (more or less) correct? By looking at the original images, do you think a linear model is enough to model the transformation between the two images?

2 Panorama creation

Appendices

A Annex

Some text in the annex.
